The Unbroken Promise: Sirius Rising

If your work with union reaches beyond meeting needs and fulfilling desires, if your work with union means that you seek wholeness in search of triumph, this year can stand out among the many as an extraordinary year of creating dreams and visions, an exceptional year of magic and miracles, and an exalted year of loving and healing. – Lazaris

Seeking wholeness ... imagine. Imagine the elegance and the excellence – the grace – we could have. Imagine what we could create and achieve. Imagine if we were more fully aligned and attuned, if we were fully “plugged in” to what is true and more real in each of us. Imagine.

Seeking wholeness ... Suspended in an incredible moment with Lazaris, a moment that can be

eternal, we can come closer to becoming the god-being that we truly are. Courageous, our reality and our world can reflect more of that Divinity as well.

In search of triumph, we can unfold the extraordinary, the exceptional, and the exalted in us. Humble, our reality and our world can become more. Our personal journey and our participation in the Great Work can be catapulted forward. Miracles can abound.

Sirius, with its unbroken promise, holds the answers to our seeking and searching. Sirius, the Vortex of the Goddess, opened fully ten years ago. Oh, how our world has changed ... *oh, how we have changed* ... over these past ten years.

On that one day (April 23, 1994), within our DNA, within the very fiber of our being, within the recesses of our soul, and in the shimmer of our spirits, we gathered all the Light/Information and the Information/Light to demonstrably create our dreams and visions and to manifest so much more: a world that was truly new. It is still mind-boggling. It is still impossible to image the planetary and global implications. It is still thrilling to try.

The Unbroken Promise: Sirius Rising Continued from Previous Page ...

Amid all the wonder of a decade now passed, it is easy to overlook and to “forget” that this monumental event was also a very personal and a very private gift from God/Goddess/All That Is. Yes. We have changed. We are different. Her gift is not only for future generations, it is also for us – an intimate gift to us ... now.

Whether for the first time or once again, we can revisit Sirius, and in that union, we can renew our relationship with our spiritual ancestry and heritage. Protected within a dome – a domain – of love and wonder, with Lazaris and with our Sirian friends and ancestors at our sides, we can reclaim the *unbroken promise*.

What is that promise that has never been broken? It cannot be stated in so many words; it is both unique and distinctive for each of us. It is not a sweeping promise; it is an individual *unbroken promise* made and consecrated for each of us personally.

Returning to the *unbroken promise*, we can hear more clearly and more fully understand our soul and our spirit. We can regain the grounding and rooting with our *more-real selves*. We can discover and reveal more of *our whole selves* or *our complete selves*. There can be such a refreshing joy in all this.

Whether for the first time or once again, as we revisit, renew, and return, we can reveal the mysteries to expanding our magic and our power. We can create and manifest more daring dreams and enliven more profound visions. We can unfold the mysticism of “being as the vessel or as the lantern” of the Goddess and Her Light.

Lazaris is there to guide us into the triumph of *our divine presence* and of *our power as god-beings*. Even as the power that we have already recovered and reawakened is immense, the powers we have yet to discover and awaken – to gather, collect, and combine in union, to retrieve, to imagine and create, and to revitalize – are immeasurable.

Sirius, with its unbroken promise ... within Sirius Rising ... welcome to a magical adventure and an unparalleled journey. Welcome ...

Passion's Secret: The Mystery and Magic of Boundless Love

Thursday Evening, July 15, 2004, 7:30 – 11:00 p.m.

Chiseled and carved lovingly by your Soul, cured and fired enthusiastically by your Spirit, your passion is masterful artistry waiting to be unveiled. Come, ignite the fire. Marvel. Be amazed by what is revealed in the light. – Lazaris

Deep within each of us there are many passions waiting to entice and to entreat us with new depths and new dimensions of discovery, of hap-

piness, and success. Within the folds of our passions there is a very special kind of love ... boundless love rich with both mystery and with magic.

Lazaris has designed an evening that is yet another evening to awaken union within us and within our world. He has designed an exploration of wondrous magic and enchanting mysticism – a magic and mysticism with which to transform, to transcend with which to renew, to revitalize, and to heal as never before.

Amid the assumed and presumed flurry of our passions, there lies a secret. Come discover. Welcome. ...

Enchanted moments shatter the masks of illusion and crack the lies of separation. Beyond the world's disguise, within an enchanted moment, there is a love-so-beautiful. This love stretches beyond emotion and touches pure beauty and rare truth. This love-so-beautiful is at the heart of all creation, all manifestation, and all right action. It is within the sparkle of all hopes, all dreams, and all visions. – Lazaris

Defining Moments of Love

Dazzling and uplifting, it can be an exquisite moment ... a defining moment ... in which you become whole and more; you become one. We invite you to a moment. – Lazaris

The evening begins with a delightful exploration: Not every moment we define as loving is truly a defining moment of love. But when we have those special moments that are defining moments, they can enrich your life with the greater and the grander of love, intimacy, and caring; we can make and work miracles ... miracles can abound in our reality and in our world's reality; and the magic of union can become a part of your reservoir and repertoire of magic.

Lazaris clearly defines what comprises a defining moment of love and then delineates the components that compose such a moment. Beyond our hesitation and resistance, Lazaris then details a step-by-step ritual with which we can consciously create our own defining moments and become full beneficiaries of the bounty of defining moments of love. The evening concludes with an amazing meditation/ritual, *Ritual of Creating Defining Moments of Love*.

Merlin-Arthur Legacy, Part I

(Excerpts)

[Click Here to Order Online](#)

Gather 'round as we tell you a story – as we weave a timeless legend right and true ... in the mix of mystery and magical legend is a legacy of love – of pure love, free of suffering and sacrifice, and eternally free of martyrdom and control. It is a legacy with no beginning and with no end. Gather 'round ... Come. Let us love together once again. – Lazaris)

Many of us have explored this timeless legend and legacy with Lazaris. We have met our Knight and our Lady. We have ridden on the backs of dragons and worked magic with Merlin at our side. We have sat quietly with Arthur and have seen a bit of ourselves sitting there. We have witnessed the pure love shared by a Magician and a Man. The spiritual current embedded and encoded in that incredible legacy of love has touched us.

Exploring the Arthurian Legends and the Merlin-Arthur Legacy with that “legend right and true” can be an amazing and entertaining journey. Some of us will come again to this journey to renew and refresh and then to delve deeper into the mystery that waits for us there. Others of us will come for the first time, and amid the amazing and entertaining, we will discover so much more of ourselves.

We can all become so much more. Again or for the first time, as we work with Merlin and his magic, we can learn so much more about our magic and about the magicians we truly are. As we work with Arthur and his dreams, we can learn so much more of our dreams and of the dreamers/dream-weavers that we are destined to be. This recording includes excerpts from several of the Lazaris workshops about the Arthurian Legends and about the Merlin-Arthur Legacy of Love. We can work with Merlin and Arthur and with their love as well as with our love. We can explore the uncharted together with Lazaris as our guide. We can journey with Merlin and Arthur deeper into the mystery. They will become more as we do. They will engage the magic for themselves as we engage it for our-

selves. The spiritual current – that current that can guide and accompany us “all the way” Home can come alive in us as though electric. We can know in ways we have never known; we can be in ways that we have never been.

Welcome to the mystery and the magic of the Merlin-Arthur Legacy. Welcome to the mystery and the magic of the legacy of pure love. This recording contains excerpts from various workshops over several years, and Lazaris has included one new meditation with these excerpts. It's a delightful and magical meditation to meet “our knight.” 9 hours ... \$94.95 plus shipping/handling/tax

Living the Truer Life: New Maps to Happiness

Yes, you do know happiness. You just are not feeling it often enough. You are not feeling it deeply enough. And there is so much more happiness to be had: Happiness you have lost, happiness you have abandoned, happiness you want, but have not acquired, and happiness you never thought you could have. – Lazaris

[Click Here to Order Online](#)

During this astounding evening, Lazaris pointed out that as we approach and unfold this Year of Union and as we work with the remaining years of this decade and beyond, we will need to deal with – we will need to confront or encounter – our issues with happiness. When we do work with our issues around happiness, we can begin to feel the happiness we know and we can begin to create new maps – new ways – to create more happiness (increasing the quantity) and greater happiness (expanding the quality). So Lazaris explores and works with our *Traditional Resistance; Current Resistance; and Genuine Ongoing Fears of Happiness*. Then the discussion becomes more mystical as Lazaris lays out the *Components of Right Living* in a triad of being, becoming, and wholeness. After a beautiful and powerful meditation, Lazaris designs seven new maps ... new maps to more and to greater happiness. These maps include *Fetish of Happiness, Sphere of Paradox, Fire of Frustration, Celebration of Right*

Passions Awaken:

The Soul's Call to Adventure

Lazaris initiates an esoteric alchemy of combustion that can transform the fertile disorder of chaos into the creative elegance of passion, that can transform fear and anxiety of the Unknown into luminous inner guidance with greater meaning, greater significance, and thus greater value for each of us. On this tape, Lazaris clearly explains the boundless love, the unbridled enthusiasm, the insatiable yearning, and the unending longing that is passion. He shows us the essential role passion plays in our spiritual growth. It is a foundation of empowerment, integral in our Soul's voice, critical to hearing our Soul's Call to Adventure, and to responding to that Call. Lazaris explores what passion provides and how we have lost passion. And Lazaris defines precisely what our Soul's Call to Adventure is. The evening concludes with a series of esoteric techniques that involve working with our Passion

The Great Circle of Love:

Magic and Miracles

We fear losing the focus of our love. We fear losing the trust of love. We fear losing the mystery and mysticism of love. We fear we will be forever bound by our yearning for love ... more love ... greater love. Lazaris unfolds an incredible ritual that can respond to and heal so many of our fears around and about love. There are five rounds in the Great Circle of Love. Step by step we can move through the outer two rounds and then enter the more sacred rounds of Soul and Spirit. With intimacy, passion, inspiration, and wisdom we can enter the inner round of transcendence, caring, healing, and choosing so that we might take our stand upon the mound of love. The experience is beyond words. The meditation, *The Great Circle of Love*, can be life-changing.
