A Lazaris Weekend

Orlando, FL ... April 21 - 22

Merlin-Arthur Legacy: Revealing the Mystery; Engaging the Magic

Gather 'round as we tell you a story - as we weave a timeless legend right and true ...

In the mix of mystery and magic legend is a legacy of love - of pure love, free of suffering and sacrifice and eternally free of martyrdom and control. It is a legacy with no beginning and with no end.

Gather 'round ... Come, let us love together once again

- Lazaris

As we gather 'round for a weekend with Lazaris, we can come to understand more of the mystery of us. Our mystery is often lodged within our successes and within our happiness and joy. No matter how big or small our successes may be, there is mystery within them. We can access that mystery, and with a bit of magic, we can create even greater successes and even more happiness and joy.

Additionally, we can come to experience more of the mystery and magic of what Lazaris calls our "fierce love." We can experience the mystery and magic of being loved and of being loving.

Many of us have explored this timeless legend with Lazaris before. We have met our

Knight and our Lady. We have ridden on the backs of dragons and worked magic with Merlin at our side. We have sat quietly with Arthur and saw a bit of ourselves sitting there. We have witnessed the pure love shared by a Magician and a Man. The spiritual current embedded and encoded in that incredible legacy of love has touched us.

Exploring the Arthurian Legends and the Merlin-Arthur Legacy with that "legend right and true" can be an amazing and entertaining journey. Some of us will come again to this journey to renew and refresh and then to delve deeper into the mystery that waits for us there. Others of us will come for the first time, and amid the amazing and entertaining, we will

discover so much more of ourselves. We can all become so much more.

Again or for the first time, as we work with Merlin and his magic, we can learn so much more about our magic and about the magician we truly are. As we work with Arthur and his dreams, we can learn so much more of our dreams and of the dreamer/dream-weaver that we are destined to be.

Lazaris has designed another spectacular workshop for each of us. We will work with Merlin and Arthur and with their love as well as with our love. We will explore the uncharted together with Lazaris as our guide. We will

journey with Merlin and Arthur deeper into the mystery. They will become more as we do. They will engage the magic for themselves as we engage it for ourselves.

The spiritual current – that current that can guide and accompany us "all the way" Home – can come alive in us as though electric. We can know in ways we have never known; we can be in ways that we have never been.

Welcome to the mystery and magic of the Merlin-Arthur Legacy. Welcome to the mystery and magic of the legacy of pure love.

Welcome ...

An Evening with Lazaris

Friday Evening, April 20, 2001, 7:30 - 11:00 p.m.

Awakening the Mysteries: The Secrets of Your Unconscious

Through the gateways and beyond the portals ... within the silent recesses of your Unconscious Mind, there are untold treasures and unspoken truths waiting for your touch. Within the untold and unspoken there are grand mysteries of love waiting ... waiting for you. – Lazaris

Tonight, Lazaris will work with us as we explore new and exciting ways to engage our Unconscious Mind. With specific techniques, we can more effectively harness its immense power as an active agent – a dynamic participant – as we create more of what we truly desire and as we move forward, continuing to grow and change.

As we explore, we can also awaken new and exciting energies and forces lodged deep within our unconscious. We can access hidden and lost secrets – esoteric mysteries and truths – that can generate immediate as well as profound long-lasting change in us, in our lives, and in our world.

We can combine the harnessed power and the accessed mysteries and our success can be richer and more fulfilling. Our magic can come more alive as it opens the way to creating even more of what we truly want. Our happiness, our

joy, and our love can exceed their previous bounds.

Lazaris will review the Gateways to the Unconscious and the Focal Points of Engagement. In ways that only Lazaris can, he will guide us into the uncharted terrain of our unconscious. He will show us how to find our way to those untold treasures and unspoken truths. We can awaken the mysteries. Among the many mysteries, we can awaken the mysteries of love. And we can be forever different. Welcome to another enchanting evening amid the year of mystery. Welcome to another magical time with Lazaris. Welcome ...

Lazaris' Most Recent Tapes

Unlocking & Receiving Greater Love & Greater Intimacy with Your Higher Self

None of us need to be convinced of the merit and value of greater love and intimacy with our Higher Selves. So many of us experience so much of this love and intimacy already. We have grown and changed and our lives have become so much more out of the love we already know. We also understand that there is so much more waiting for us and there are also depths of love and intimacy that we cannot yet fathom. No matter how much we know and experience love, we always seek more and we always seek new and more elegant means of acquiring it. Lazaris has designed a magical evening where we can unlock and then receive the love and intimacy that still waits for us. Through insights, techniques, and magical workings, we can unlock and receive the unfathomable of love and intimacy with our Higher Self.

This tape can be another piece in the puzzle of mystery that we are exploring and it can be another clue for reaching the power and the magic hidden in the mystical heart of mystery. Lazaris has pointed out that the keys for creating a stellar year of success and happiness are found in how we relate to mystery in our world and in how we go about making mystery in our lives. We may not know how to use these keys, but our Higher Selves do. We may not know how to explore mystery or to find its mystical heart, but our Higher Selves do. We do not need convincing when it comes to the greater of love and intimacy. We do seek guidance, and Lazaris is there ready to help us.

Activating the Initial Source of All Magic

This tape discussion by Lazaris, which at first may appear as only an esoteric exercise, can become a powerful magician's tool that can enhance our lives and our loves. We can access the "primal seed" imprinted in our personal Cosmic Memory as well as the "divine seed" gifted to us by God/Goddess/All That Is.

*** [click to return to main menu](#) ***

We are magicians and we know magic and its workings. Likewise, we are successful in our endeavors. By activating the initial source of all magic, our workings and our successes can be lifted, even catapulted, to exciting new levels. Such activation can be as a quantum leap. We can stand with new dimensions of achievement without fully knowing what we did, how we did it, or how we got there.

It can be a grand mystery and it can be a great secret to our success. We can access Cosmic Memory and then we can apply specific techniques to activate it - to awaken this august Memory within us and within our magic. What a marvelous way to begin a year rich with the excitement and the reward of mystery.

Tape Recommendations for Phase II, Preparing the Dreams & Visions

Moving Beyond Guilt & Fear:

New Entanglements with Old Names

Just when we have grown so significantly that we are approaching whole new levels of spirituality, guilt and fear appear again. But it is often a mistake to believe they are the guilt and fear we once knew. Guilt functions as a substitute for character, integrity, dignity and conscience when we don't have them, and it can also act as a strange kind of motivation. Fear is an automatic response of our humanness and can be generated out of genetic, social and ego templates. As resonance creates a purification of energy, guilt and fear arise in new ways. Lazaris talks about the phenomena of beauty, goodness and truth, of remorse and indebtedness, of dignity and tragedy. He gives us beautiful techniques (*Journeying through the Narrows and Creating Masks and Bundles of Fear*) to help us transcend the limitations and a powerful meditation to move beyond them. Other techniques include the *Prisms of the Future Technique, Unconscious Programming, and the Triangulation of Guilt and Fear*. Meditation included.

Greater Success:

The Forgotten Ally of our Subconscious Mind

With this alliance, so much wonder can come to us. We can grow and change with elegance, excellence, and by magic. We can access sources and resources to enhance the techniques we know and to empower techniques we are learning. As well, we can enhance our relationship with our Higher Self, Soul, and Spirit and our partnership with God/Goddess/All That Is. An added treasure: We can discover the love ... yes, the love ... that our Subcon-scious Mind has for us. Lazaris begins with outlining the preparation: Hurdles to overcome and move beyond; Foundation of Self-Trust; Foundation of Connection with our subconscious self; and the Resonance of Knowing. Then Lazaris builds the "illumination" to strengthen our current relationship with our subconscious so we can initiate expanding that relationship to discover the potentials of alliance. Lazaris concludes the evening with specific powerful techniques to allow the alliance to become more real: *Working with Crystals; Working with Amulets & Talismans; Working with "ash, seeds, and a basket, torus, and treasure chest" while in the Forbidden Zone*. A powerful discussion ... a profound opportunity.

The Magician's Dream: Celebrating Love & Magic (Evening Only)

As spiritual adults and as magicians, celebration is more than something we do after accomplishing and succeeding. Lazaris explores how to use celebration in preparation and participation as well as in conclusion of our actions and helps us understand the valuable functions of dreaming. By understanding the grades and stages of meditation/dreaming, we can create a grid and a map for discovering the grace and for developing the art of celebration. Meditation included.

Millennium Celebration with Lazaris (Evening Only)

1500 magicians gathered to welcome the new millennium with Lazaris; 1500 magicians gathered to celebrate love, to celebrate the magicians that they are and to celebrate the magicians they are becoming. Lazaris worked with each of those magicians to help them find their magician's voice; with his love and with his magic, he guided us to discover our new voice. He spoke of the unique mystery of choice currently present, and of the world's celebration. This elegant discussion leads to specific techniques (*Wall of Truth in Temple of Soul, Pinnacle of Freedom, Crystal Alliances, Gateways of New Magic, and Cascading Steps of Voice*) and concludes with a touching and wonderful meditation.

Harnessing the Power of Our Unconscious

In this lively discussion of the wonders and mysteries of our unconscious mind, Lazaris explores the *Power of Being Conscious*, the *Mystery of Choice*, and the alchemy of combining conscious power and mysterious choice. The result: an unstoppable force of magic. Lazaris lays the foundation as he discusses familiar access to our unconscious mind: Underworld and Causal Plane techniques are reviewed and programming and dreaming techniques are explored. Among them, Lazaris talks of the *Temporal Lobe Doorway*, the *Unconscious Programming Grid*, the *Pillars of Strength & Mercy*, and of the *Tonal Creation Manifestation Entry*. Upon the foundation, a precise resonance is added and we are ready to harness the power of our unconscious. Lazaris concludes this rousing discussion with four specific techniques including the *Focal Point* technique and the *Seven I's* technique. Wonderful meditation included.

On Releasing Guilt/On Receiving Love

On Releasing Guilt: Guilt is an artificial emotion – an emotion as synthetic as polyester or junk food. And because it isn't real, it has no positive aspect. Essentially, it is anger that is suppressed because we feel we have no right to feel it, yet it degenerates into an attempt to punish ourselves or others – or into an attempt at self-control which would be better handled by natural conscience. It crosses every barrier and contaminates every aspect of life. Lazaris uses a seven-step process for understanding guilt that unfolds into a meditation to release it.

On Receiving Love: Of all the voices competing for attention in our heads, the one that wants love is often the one least heard. Our entanglements with the obligation, guilt, and strings so often attached to the love we've known block our way, as does a sense of undeservability around both love and receiving. Blockages and payoffs themselves often rob us of the love we want. Lazaris deals with all these issues in an ambiance that always supports our deserving love, and gives us techniques, a seven-step process, and a shimmering meditation to help us receive love.

These crystals are also offered on the website . . . but first they are sent only to those on the email list.
