The Lazaris Weekend

Orlando, FL ... August 11 - 12

Merlin-Arthur Legacy: Revealing the Mystery; Engaging the Magic

As we gather 'round for a weekend with Lazaris, we can come to understand more of the mystery of us. Our mystery is often lodged within our successes and within our happiness and joy. No matter how big or small our successes may be, there is mystery within them. We can access that mystery, and, with a bit of magic, we can create even greater successes and even more happiness and joy.

Additionally, we can come to experience more of the mystery and magic of what Lazaris calls our "fierce love." We can experience the mystery and magic of being loved and of being loving.

Many of us have explored this timeless legend with Lazaris before. We have met our Knight and our Lady. We have ridden on the backs of dragons and worked magic with Merlin at our side. We have sat quietly with

*Gather 'round as we tell you a story -
as we weave a timeless legend right and
true ...*

*In the mix of mystery and magic legend
is a legacy of love - of pure love, free of
suffering and sacrifice and eternally free
of martyrdom and control. It is a legacy
with no beginning and with no end.*

*Gather 'round ... Come, let us love
together once again.*

- Lazaris

Arthur and have seen a bit of ourselves sitting there. We have witnessed the pure love shared by a Magician and a Man. The spiritual current embedded and encoded in that incredible legacy of love has touched us.

Exploring the Arthurian Legends and the Merlin-Arthur Legacy with that "legend right and true" can be an amazing and entertaining journey. Some of us will come again to this journey to renew and refresh and then to delve deeper into the mystery that waits for us there. Others of us will come for the first time, and, amid the amazing and entertaining, we will discover so much more of ourselves. We can all become so much more.

Again or for the first time, as we work with Merlin and his magic, we can learn so much more about our magic and about the magician we truly are. As we work with Arthur and his dreams, we can learn so much more of our

dreams and of the dreamer/dream-weaver that we are destined to be.

Lazaris has designed another spectacular workshop for each of us. We will work with Merlin and Arthur and with their love as well as with our love. We will explore the uncharted together with Lazaris as our guide. We will journey with Merlin and Arthur deeper into the mystery. They will become more as we do. They will engage the magic for themselves as we engage it for ourselves.

The spiritual current – that current that can guide and accompany us “all the way” Home – can come alive in us as though electric. We can know in ways we have never known; we can be in ways that we have never been.

Welcome to the mystery and magic of the Merlin-Arthur Legacy. Welcome to the mystery and magic of the legacy of pure love.

A Lazaris Intensive (1+2)

Orlando, FL ... August 24 - 26

Global Magic: The Next Level of the Great Work

We want to use our talents in more joyous and productive ways. We want to express our worth and value in more creative and meaningful ways. We want the world to be better because we are here - because we are part of it. We want to live a spirited life full of our dreams coming true.

Global Magic is not just the magic we know with an international bent or focus. It is unique. There is something very mysterious that happens to us when we engage this sacred magic: Our current magic can be transformed into something more grand than we can imagine. We can transcend ourselves. Our horizons can become more vast. What we seek more readily can become ours.

Yes, Global Magic does focus on world concerns, but that is where it begins. What lies

Come. Open your heart wide and full, filling it with love. Set your spirit free, lifting it with joy. Do not lose your sight of your heart and spirit. They will guide you to the Great Work, and to what you truly want and seek.

With the magic of giving, the majesty of receiving, and the grace of being, the Great Work continues and will be fulfilled.

- Lazaris

beyond is not available to everyone; it is there for those such as us who “can see with other than their eyes.” When we can confidently step into its mystery, we can change the world around us, that's true. Then, with precise Global Magic Techniques, we can also change ourselves, and we can elegantly create more and more of what we really want. We can take that next step in the Great Work.

Lazaris explored the Great Work years ago as we worked with the “great adventure that suddenly became grand.” Those were exhilarating workshops as we stretched and worked to learn about consciously creating what lies beyond that which we can consciously create.

Now Lazaris returns to the Great Work for deeper exploration and discovery. He will begin with establishing a solid foundation for our current personal magic. With this well-anchored platform in place, Lazaris will loving-

ly guide us into the mystery of Global Magic, and he will help us find treasure-troves of insights, wonders, and gifts hidden there. The possibilities and potentials can seem endless.

From this new platform we will learn amazing new techniques that can bring more loving and healing - that can bring more miracles - into our world and into our lives. We can reach deeper into the mystery embedded in the nature or the grace of Global Magic. In the deeper mystery, we can find new expressions and new dimensions of this unique magic that can transcend our world. And these new

expressions and dimensions of Global Magic can work with stunning elegance and power.

With Lazaris at our side, we can safely take that next step in the Great Work, and the phrase *everything is different now* can mean so much more to each of us.

This intensive, offered only once this year, will be rich with techniques, rituals, magical strategies, and alchemical formulas. It can be rich with laughter and joy as we realize that we can live that spirited life full of our dreams coming true. Welcome ...

Evening with Lazaris

Embracing Your Legacy of Love

Caribe Royale: Friday, August 10, 7:30-11:00 pm

Rosen Centre: Thursday, August 23, 7:30-11:00 pm

When we first met, we spoke of love. We always do. Since we first met, you have grown and changed more than you would have imagined then. The Great Work has begun and continues still. It never ends. It never will. And once again we speak of love; we always do. We love you; we always will.

- Lazaris

Our personal legacy of love defines so many of our relationships in life. That it defines our loving relationships seems obvious. But our legacy of love says so much in defining our relationships with success and happiness, for example. Its voice speaks loudly in defining our relationships with magic and freedom, and in defining our overall relationship with living a rewarding and meaningful life.

Yet so often we think ourselves too small to have any kind of legacy especially when it comes to love. We suspect that only those of great stature have such gifts to offer. Such thinking separates us from so much of what could be ours.

Lazaris will help us uncover our current legacy of love – the one we don't think we have. Often it is constricted and binding

because it was given to us rather than being our own creation. Wittingly or unwittingly, we accepted it and are imprisoned by it. Lazaris will work a bit of magic and show us how to transmute the energy and transform the binding legacy into an expansive and empowering legacy of love boundless with vibrancy and power.

Not stopping there, we can embrace this newly discovered and liberated legacy and let its voice speak loudly in our reality. We can create it as a gift to the future, and we can live it as an incredibly loving gift to ourselves now. So much can be different; so much can change as we embrace our legacy of love.

Healing the Broken Alliances: Finding Peace

When magical alliances are mended and restored, familiar and unfamiliar means to achieve the bounty and autonomy we seek seem to open. New methods of gracious giving seem to appear. Inventive and innovative ways of actively participating in living the loving, magical life we desire seem to come as if out of the blue. We can find the celebration and triumph of more happiness and joy and of greater love and deeper loving. We can find the greater peace that hitherto seemed beyond our grasp.

We know of forgiveness. We have experienced its incredible force as well as the practical and magical changes that can come of it. We also know of pain out of our old psychic contracts with the past. Likewise, we have also experienced the liberating freedom that comes once we have broken those debilitating ties.

Yet, amid the muddle and chaos of what needed forgiving and of what brought about the pain, certain unknown or unspoken alliances were and still remain in disrepair. Alliances within us and with our Unseen Friends or alliances with our Higher Self, our Soul, our Spirit or with God/Goddess/All That Is may have been broken. It is time to mend. It is time to heal. Out of pain we can find our *beautiful sadness and remorse*. Out of forgiveness we can find our *myth and mystery*. Together with Lazaris, we can mend and heal; we can restore and renew what has remained broken of our magical alliances. We can find that greater peace. Greater abundance and more meaningful prosperity can be ours.

Awakening the Mysteries: The Secrets of Your Unconscious

On this tape, Lazaris works with us as we explore new and exciting ways to engage our Unconscious Mind. With specific techniques, we can more effectively harness its immense power as an active agent – a dynamic participant – as we create more of what we truly desire and as we move forward, continuing to grow and change. As we explore, we can also awaken new and exciting energies and forces lodged deep within our unconscious. We can access hidden and lost secrets – esoteric mysteries and truths – that can generate immediate as well as profound long-lasting change in us, in our lives, and in our world. We can combine the harnessed power and the accessed mysteries and our success can be richer and more fulfilling.

Our magic can come more alive as it opens the way to creating even more of what we truly want. Our happiness, our joy, and our love can exceed their previous bounds. Lazaris reviews the *Gateways to the Unconscious* and the *Focal Points of Engagement*. In ways that only Lazaris can, he guides us into the uncharted terrain of our unconscious. He shows us how to find our way to those untold treasures and unspoken truths. We can awaken the mysteries. Among the many mysteries, we can awaken the mysteries of love. And we can be forever different. Meditation included.

☞ ***The Incredible Magic of Hope & Joy***

Joy is an emotion rich with a swirl of thoughts and feelings. Hope is a state of mind alive with mystery and mysticism. Together, hope and joy generate a chain reaction alchemy that can lift our magic and lift our lives to new heights of wonder and success. During this magical tape, Lazaris explores the value of this special magic of hope and joy, and he explains what has happened to each in our current world – within our consensus reality. Then he offers a powerful view of how the alchemy of renewed hope and joy can truly change our life. Lazaris talks of the evening as a defining moment in the development and maturing of our magic and in the unfolding of dominion in our lives and in our world. Midway through the discussion, it becomes excitingly clear: Hope and joy hold an incredible magic. Lazaris then offers an array of techniques to bring the magic of hope and joy into our lives, including: *Dreaming Hope & Joy*, *Crystal & Talisman Technique*, and *Conscious-Unconscious Link*. The meditation, called *The House of Hope & Joy*, is stunning.

☞ ***Utilizing Our Destiny: Consciously Directing Evolution***

A tape of almost unimaginable depth, it has its own remarkable resonance. Lazaris explores what our self-chosen destiny really is, moving along a path of exploration that includes our life focuses, our image, our identity, and our seven-fold motivation. He delves into *The Seven Principles* which guide all of human evolution and talks with great beauty about the nature of our *human grace*. With its beautiful meditation and seven powerful techniques – including *The Three Powers of Choice Technique* – this tape is about discovering our living destiny and claiming our right to use that destiny in consciously directing the evolution of the human species. This tape is an incredible ally on the Spiritual Journey Home.

Meditation included.

☞ ***The Igniting the Essence Meditation***

Lazaris begins this meditation with a serpentine trip through the first seven chakras to the 9th chakra – the Etheric Chakra. There we find a magical doorway that becomes a gateway leading past form, function, and energy to the *Essence of Love*. Along the way, forms of love abound: physical forms, pictures from childhood. Then the functions of love appear, and then our beliefs become clear. It can be an amazing journey. Within the Essence of Love, fires burn and transform, and we receive a gift ... a magical gift to be opened only when we know it is appropriate. Lazaris suggests *The Mysterious Power of Chakras* and *The Power of our Chakras: Removing Blockages to Our Success* for deepening our work with chakras. This meditation is from the weekend seminar ***Seven Rituals To Create More Love in Your Life***.

♣ **Utilizing the Incredible Mystery & Magic of Expectation**

Expectation is one of the three energies with which we create all of our reality – and it is the one that most often falters. What we need is not just high expectation, but expectation that is dimensional – expectation with solidity, width and depth – for it is essential to reality creation, to all positive change, to health and longevity, to sanity and genius. Lazaris looks at the cynicism and pessimism, depression and apathy, fear, entitlement, self-doubt, control and anxiety that fill the gap when expectation fails. Then he uses *Color Visualization Technique*, *The Corridor of Desire*, a *Technique for Bottling Expectation* – and a magnificent *Resonance Pool of Expectation Meditation* in which we can dip into the pool of expectation itself when our own expectation is not enough to create what we want. Just listening to this tape will raise your level of expectation.
