# *The Grand Awakenings of Ancient Crystals*

*as Experienced by Jach Pursel*

It's a book about crystals – Ancient Ones, Shining Ones, Merlin Crystals, Gateways to the Faerie Realm and the Realm of Other. And it's about the ancients, dreamers, magicians and sages of Atlantis and Lemuria, of Sirius and the Faerie Realm, who have been their guardians before and the great magic and miracles they manifested with them. Jach Pursel, Lazaris' only channel, has been working with crystals for many years. Over the last decades, many magnificent crystals have come to Lazaris, and increasingly they have told Jach their tales of lands and peoples long forgotten – of timeless goodness, truth, and beauty – of love and magic. These are their profoundly inspiring *Grand Awakenings*.

## *Forgiveness: The Miracle of Magic*

*Amid all the mysteries, it is forgiveness that is the miracle of magic – of your magic. Forgiveness nurtures, nourishes, and heals. Forgiveness can be that amazing light showing you your way.*

*Come. Together, let us unleash the incredible power and force of forgiveness. Let's begin our journey of union.*  
– Lazaris

We are fortunate to know so much about forgiveness. We have transformed our lives, transcended our pasts, and have created our personal realities now rich with dignity, character, vitality, and vision. Somewhere between ... somewhere in the mystery between forgiving ourselves and forgiving others, there is an incredible force that produces change ... change that can be astounding. Somewhere between ... in that mystery there is an incredible light that can generate miracles.

Our magic can come alive with that light. Our magic can change. Its texture and its nature can be miraculous.

No matter how much we know, there is so much more happiness and joy, so much more love and laughter, and so much more magic ripe with miracles just waiting for us out there ... just around the next corner or just beyond the next bend. And once again, as 2004: The Year of Union begins, so once again our adventure begins anew.

Lazaris has designed a delightful weekend that begins by quickly reviewing what we understand and know of the values, powers, and forces of forgiveness. And then we will be off on a splendid, wild-and-wonderful adventure to unleash those powers and forces for our personal benefit and to bring more healing, more magic, and more miracles into the world.

So many of the ever-haunting fears and pains and so much of the emotional/mental residue that would otherwise only become fuel and fodder for our *dark labyrinth* and our *dark wood* can be resolved and released. With the light of forgiveness, lifted by its ecstasy, we can be free; we can love as never before; we can find our way home ... Home.

A new year begins. Lazaris suggests that 2004 can be extraordinary, exceptional, and exalted. And it begins with the miracle of magic; it begins with forgiveness. Let's begin it together with Lazaris and our Higher Selves at our side. Welcome to an adventure like no other.

Evening with Lazaris:

## Living the Truer Life: New Maps to Happiness

Friday Evening, January 23, 2004, 7:30 – 11:00 p.m.

*You have come seeking the joy among joys: the joy of living life full and rich with success, happiness, laughter, and joy ... life full and rich with abundance, magic, and deepening spirituality. You also come seeking something of the truer life. Welcome.*

*Come, let us begin by making new maps.*

– Lazaris

We have so much. We can create so much more success and happiness, and it can be alive with immeasurable laughter and joy. The richness of our lives can become so much more vital and vibrant.

In the world where so many people are struggling just to keep their heads above

water, dare we want more? Dare we seek more? As magicians and mapmakers, dare we not? Dare we not seek the fullness and richness?

Some of us have worked with *right living* during a wonderful weekend two years ago when we explored the magic of crafting futures to create the present. Now Lazaris has crafted an evening using those same tenets so that we can create new maps for happiness . . . new maps that can guide us to that truer life with its joy among joys.

There can be an elegance to it when we utilize these new maps. What a joyous way to begin 2004: The Year of Union.

Welcome ...

## *At Rainbow's End: Creating Reality as Never Before (Evening Only)*

This workshop was designed for those [click here for sound clip](#) among us who are newer to working with Lazaris as well as those among us who are well-seasoned in our work. This journey that is both back to the basics for some and brand-new for others involves working with the *Stuff of Reality Creation*, the *Dark & Light Matrix*, and the *Fundamentals of Processing & Programming*. It includes a wonderful meditation: *Mind-Meld with Our Inner Child*.

## *Awakening & Embracing the Majestic in You (Evening Only)*

For the culminating event of this *Year of Expansion*, Lazaris created an intriguing magician's quest with step-by-step precision so that in a moment – a magician's moment that can be eternal and transcendent – we find that spark of exhilaration and that touch of inspiration. That moment can awaken the extraordinary magic of the majestic in us. Lazaris reviews esoteric venues for magical expansion and opens us to the exceptional within us. Hearing the music, our adventure is set in motion. Meditation included. Available soon; preorder now.

## *Calling of Miracles* [click here for sound clip](#)

A working of spirit, a working of science, Lazaris begins this enchanting exploration with a review of the components – the constituent voices – that lift events to the levels and octaves of being miracles. A foundation laid, Lazaris then details two delightful rituals: *The Ritual of Remembering* and *The Calling of Miracles*. The first ritual, a gift of our ancestry; the second magical working is a gift from the Ancients and Shining Ones of Sirius. The evening's meditation is a touching rendition of *The Calling of Miracles*.

## *Healing Our Alliances of Love*

During this magical evening tape, Lazaris explores the healing of our alliances of love and unfolds the components that generate our per-

sonal alliance. In an altered state, we enter the metaphorical heart of love to allow the magic and the miracle of healing. Lazaris offers specific techniques for grounding and expanding the healing. Alliance healed, love grows. Meditation included: *Healing Alliance with Love*.

## *Loving Joyously: Superseding & Transcending Self*

What is joyous loving? Lazaris reminds us that we know what love is and we also know what joy is, but the concept as well as the experience of loving joyously may elude us. Lazaris offers us a flowing seven-step procession from love to loving joyously and concludes with four techniques: *Oasis of Loving Joyously*; *Removal of Masks & Disguises*; *Vessel of Giving*; and *Ritual of Renewal*. Meditation: *Loving Joyously*.

## *Reaching for the Stars*

We can touch our stellar tradition. Reaching beyond our fears and fantasies, we can touch shining futures – and begin reaching for the stars. Lazaris reviews the success cube, image/ identity and choice – and offers exploration of four profoundly powerful techniques: *Enriching & Embellishing Identity/Image*; *New Dimensions of Success Cube*; *Mystical Choice* and a meditation, *Expanding Love's Domain*. # Morning, Evening & Crisis Tapes on CD

Recently Concept: Synergy began releasing new Lazaris recordings on CD as well as cassette. Now, for the first time, three tapes from the Accelerated Journey Series have become available in CD form. The Crisis Tape is one of the most extraordinary and powerful tapes in the Lazaris library – and the Morning and Evening Tapes are perennial favorites. On these new Morning and Evening CD releases, each of the seven tracks is laid out in order, so that it's not necessary to "rewind" as with the taped version. We are excited to bring these to you.

## The Morning Tape

[Click Here To Order Online](#)

Like The Evening Tape (its complement), this tape contains four separate meditations used in a specific formula over a week's time. Some mornings there will be a chakra/color meditation to lift resonance, and on other mornings Lazaris guides 33-Second Techniques for programming or specific meditations for healing. The blending/meditation on Day 7 is an extraordinarily beautiful experience that deepens our experience of our Higher Self, The Goddess, and Lazaris – and that gives us a glimpse of the vastness of our own path. A terrific tape that is indispensable for resonance building.

## The Evening Tape

A powerful, resonance-building tape which contains four separate meditations – which you'll use in a specific formula over a week's time. Lazaris, the Goddess, and our Higher Self all work to effect emotional growth, resonance, brain development, success, and any form of healing you want – and to help fill the subconscious and unconscious mind with thoughts which help to create more success and beneficial realities. They are relaxing, soothing evening meditations which are also incredibly magical – and incredibly beautiful in the love emanated from Lazaris and our Unseen Friends. Also recommended is its complement: The Morning Tape.

## The Crisis Tape

[Click Here To Order Online](#)

In earlier times, people recognized a spiritual crisis as a time of challenge and an opportunity for transcendent growth. Now crises are points of shame and embarrassment – and the esoteric process of crisis and liberation is unknown to most of us. In this invaluable tape Lazaris first heals with a meditation/blending that is one of the most beautiful ever put on tape. Once we are in a more secure place, Lazaris explains the building of a crisis, its bursting into reality, and its dreaded "vacuous space" – and gives us a ritual to bring the crisis to resolution. Included also are invaluable suggestions for heading off crises before they even manifest.

# Recommendations for January and February

## Accessing the Incredible Force of Love

The Great Work: Applying the Spiritual Alchemy of tapping into the force of love to create all kinds of miracles and to access whole new realities. Lazaris begins with a fascinating discussion of the force fields that surround the various kinds of love. Love is more than an emotion or a state of mind: It is a force with a resonance more powerful than we can know. Within the many force fields, there is one that is truly a gift from God/Goddess/All That is. Lazaris helps us through teaching and experience to touch this unique force field. As we touch, so we are touched. We can understand and free ourselves of the Negative Matrix that holds many of our obstacles. Lazaris includes exploration of the Underworld and the Causal Plane in our programming as we incorporate not only the love we feel but incorporate the very force – raw and mighty – of love itself. Profound meditation included: *The Incredible Force of Love Meditation*.

## The Incredible Force of Forgiveness

Whenever we forgive ourselves or others, a piece of our root emotion – anger, fear, hurt, loneliness, despair, hopelessness, shame, helplessness – dies, and a piece of our future is born. Forgiveness is a force and an energy that absolutely always produces change. On this tape, Lazaris reveals not only the power of forgiveness – but the sheer force it has – a force that we can tap into and use to heal even the most painful events of our lives. The seven-step process that Lazaris designs touches on the grief, rejection, anger, and guilt that always accompany the death of anything – even that which we need to forgive. In the meditation we find a Friend who takes us to a clearing in the forest where we forgive one who needs our forgiveness – and then we are filled with the Force of Forgiveness which illuminates the piece of divinity – the piece of God/Goddess/All That Is – within us. Meditation included: *The Force of Forgiveness Meditation*.

2-1/2 to 3 hours, Lazaris Evening tape.

## Healing the Broken Alliances:

### Finding Peace

When magical alliances are mended and restored, familiar and unfamiliar means to achieve the bounty and autonomy we seek seem to open. New methods of gracious giving seem to appear. Inventive or innovative ways of actively participating in living the loving, magical life we desire seem to come as if out of the blue.

[click here for sound clip](#)

During this magical discussion, Lazaris lays the groundwork for healing our broken alliances by exploring what can come from such work: We can open another doorway into the realm of mystery and we can find an elixir of love's magic. And there is so much more. Healed alliances can be a tether for entering and returning from the depths of mystery and from the heights of magic. Mended alliances can lead to clear avenues for dealing with the grand mystery: Our future. With such work, we can sharpen our magic, create greater abundance and prosperity, and heal our pain in new and more productive ways. In a cursory discussion, Lazaris points out the dynamics of our mystical alliances that are there with birth, but that get broken in the function of living life. From the dynamics of alliances, he moves to work with the dynamism of broken alliances: What goes wrong when these alliances break. With this groundwork, we can build a foundation for healing these all-important alliances. Lazaris concludes the discussion with techniques that include *Interlude with the Ancients*, *Healing Bonfire (Good Fire)*, and *Elixir of Love's Magic*. During the meditation (included on the recording), Lazaris guides us to healing our broken alliance with our Higher Self. It is truly a magical and mystical experience that goes beyond words. Meditation: *The Elixir of Love's Magic*.

2-1/2 to 3 hours, Lazaris Evening tape  
\$24.95 plus shipping/handling/tax

## Reaching for the Stars

Reaching beyond the sludge and briar of our past, we can touch our stellar tradition. Reaching beyond the seductions and fears of our fantasies, we can touch our shining futures. And somewhere in between what was and what will be, we can begin reaching for the stars. During this amazing evening, Lazaris begins our exploration by examining what it means to reach for the stars. He speaks of more joyous success and profound happiness as well as of profound compassion and joyous knowing. He speaks of greater value and greater presence along with greater loving and healing. To achieve these qualities that are also the components of reaching, we need new and expanded technique. After a cursory review of the success cube, image/identity, and the mystery of our choices, Lazaris offers a step-by-step exploration of four distinct and profoundly powerful techniques: *Enriching & Embellishing Identity/Image*; *New Dimensions of Success Cube*; *Mystical Choice* and *Expanding Love's Domain*. Each technique is vibrant. Each overflows with the essence of magic. Meditation included.

2-1/2 to 3 hours, Lazaris Evening tape.

### *New Vistas of Hope: The Mystical Core of Great Magic*

*Magic becomes splendid magic, it becomes great magic, when it is infused with the aesthetics and esoterics of the Divine - of God/Goddess/All That Is. -Lazaris*

During this discussion, [click here for sound clip](#) Lazaris guides us upon a gentle journey, an intimate one. Upon this journey, we seek hope: Hope can guide us to the realm of Splendid Magic; hope can be the infuser of the Divine that can lift our magic to become Great Magic. Along the way, hope can change our magic, allowing it to be more vibrant and viable, with workings that are more profound - more far-reaching. Along the way, hope can change our life, allowing it to become richer with the texture of greater success and greater happiness. We explore the *Nature of Hope* to understand how the *Divine Hope* we received from God/Goddess/All That Is dwindled and was replaced by human hope. Then we uncover what hope can be for us, the magicians of our current and future Age: Hope can spark so much within us (power, courage/confidence, co-creation, dominion) and it can be a reservoir for so many things (love, happiness, resonance of the miraculous, and magic). With this foundation, we reach for the new horizons of what hope can be and what it can provide as it adds dimension - it is an attractor, a stabilizer, and our guide to *Splendid Magic - to Great Magic*. Techniques include *Seven Days of Hope*, *Elixir of Hope*, and *Mystery of Hope's Paradox*. Powerful meditation included: *Reshaping Hope*.

### *Reclaiming Your Dignity & Freedom*

*Freedom is essential to creativity and creation. - Lazaris*

In our pursuit of mastering the art of creation [click here for sound clip](#) and manifestation, we have created a foundation ("Bountiful Creation") and a receptacle to hold our creations ("New Domain of Magic"). Now, as with any creative adventure, we need to bring something of ourselves to the project. And that "something" can be found within the realm and arena of our personal dignity and within our personal freedom. The reclaiming is our next step. During this lively discussion, Lazaris lays out the map, beginning with *awareness, understanding, and knowing our human dignity and freedom*, followed by *facing and owning our resistance to each*. The map continues with *discovering and exploring personal dignity and personal freedom, reclaiming dignity and freedom*, and then with *discovering and exploring relinquishing/losing freedom and dignity*. The map concludes with *facing and owning future dignity and freedom*, and with *awareness, understanding, and knowing the Continuance*. Lazaris points out that, as we reclaim our dignity and freedom, not only do we move closer to mastering the art of creation, we can generate new expressions of greater happiness and success, greater love with which to be loved and with which to be loving, and we can leap forward with the magic and mystery of our relationship with God/Goddess/All That Is. This inspiring evening is vibrant with hope and joy. The meditation is luminous with insight and powerful with magic. Meditation included: *Reclaiming Dignity & Freedom*.

### *Crystal Emailing List*

We know that everyone can't make it to every workshop and that there are often crowds at the crystal tables during events, so with that in mind, we are now offering certain groupings of special crystals via email before they are offered at workshops. The people on this crystal emailing list will receive digital photographs and descriptions of the current crystals being offered right in an email. These crystals are also sometimes offered on the website ... but first they are sent only to those on the email list. So if you would like to request being on this special list where you will receive information on these crystals, please email your request to: [AndrewWilliam@att.net](mailto:AndrewWilliam@att.net)

*You can be in love ... madly, passionately, and wondrously in love ... with God, in love with Goddess, and in love with All That Is. In love and touching greatness, your love, transcendent, can change you; it can heal you. As well, your love can heal and change your world in ways you've not yet imagined.*
