# Expanded Gifts of the Ancients: The Mystery, Magic, and Miracle of Belonging

Continued from previous page ...

As Lazaris points out, we can heal love's pain – the pain of separation – and we can assuage love's fear – the fear of loss. We can align ourselves with the most beautiful and elegant within our spiritual journey: Coming Home.

Lazaris has created a summer's intensive of incredible proportion and of masterful and magical design. Enmeshed in the resonance of these three or two days, we can receive the gifts of the Ancients: We can receive the power of belonging and develop technique to create and manifest mystery, magic, and miracles for us and for our world.

We are ready. We do deserve. And if not us, who? And Lazaris, as always, is there for us as he works his magic and infuses us with his love. This

*The Ancients can bring us growing and expanding success in our world – bountiful creation with a new domain to our magic. They can stir and embellish our dignity and freedom; they can fill us with renewed hope that is alive with expectation, anticipation, and mystery. The Ancients can empower our destiny and bring us triumph even when it seems victory is outside our grasp.*

is an intensive that none of us will want to miss. As the year of expansion enters its second half, triumph is at hand.

Welcome. ...

*Evening with Lazaris:*

## Healing Our Alliances of Love

Thursday Evening, July 24, 2003, 7:30 – 11:00 p.m

When our alliances of love are mended and restored, familiar and unfamiliar means to achieve the bounty and autonomy we seek seem to open; excellence abounds. New methods of gracious giving seem to appear; elegance unfurls. Inventive or innovative ways of actively participating in living the loving, magical life we desire seem to come as if out of the blue; we thrive.

With healed alliances of love, we can find the celebration and triumph of more happiness and joy and of greater love and deeper loving. We can find the greater peace that hitherto seemed beyond our grasp. We flourish.

We know of forgiveness, and we have forgiven. We also know of pain out of our old psychic contracts with the past, and we have broken those contracts. Many of us have healed the hitherto unknown and unspoken that had remained in disrepair. We have experienced the liberating freedom that came from forgiving, breaking, and healing.

Yet, for so many of us there remain our personal alliances with love. They remain in disrepair or broken; they remain tattered, frayed, or disconnected.

*Somewhere between the joys and pains you have known, somewhere within the folds of the forgiveness you have received and given, there is a mysterious elixir of love's magic.*

*Come. Let us find it together as you allow its bounty to unfold.* – Lazaris

It is time to mend. It is time to heal.

Lazaris builds upon what we have known of pain and loss, and upon what we have experienced of forgiving and healing. Emerging from the mix: mystery; out of the mystery: power and resolve. Lazaris will teach us specific techniques. And then the magic can happen.

Together with Lazaris, we can mend and heal; we can restore and renew what has remained broken of our alliances of love. We can find that greater peace. With abounding excellence and unfurling elegance, we can thrive; we can flourish.

Welcome. ...

## Calling of Miracles

[click here for sound clip](#)

Our dreams and visions can manifest with less struggle and less suffering; they can hold greater significance and value. With our grace as spiritual beings, metaphysicians and magicians, and with a subtle air of majesty, we can lift out of the mire of fixing and curing into the realm of changing and healing. We can change; our world can change. So much can come from the calling of miracles in our reality and in our world's reality. A working of spirit, a working of science, Lazaris begins this enchanting exploration with a review of the components – the constituent voices – that lift events to the levels and octaves of being miracles. With a better understanding of the nature of miracles, Lazaris briefly outlines the pools of personal resistance to allowing them. A foundation laid, Lazaris then details two delightful rituals: *The Ritual of Remembering* and *The Calling of Miracles*. The first ritual, a gift of our ancestry; the second magical working is a gift from the Ancients and Shining Ones of Sirius. Wherever the origin, each has specific and timely application in our lives and in our world. The evening's meditation is a touching rendition of *The Calling of Miracles*. This was a stunning evening ... a magical night captured in this recording.

## Reaching for the Stars

[click here for sound clip](#)

Reaching beyond the sludge and briar of our past, we can touch our stellar tradition. Reaching beyond the seductions and fears of our fantasies, we can touch our shining futures. And somewhere in between what was and what will be, we can begin reaching for the stars. During this amazing evening, Lazaris begins our exploration by examining what it means to reach for the stars. He speaks of more joyous success and profound happiness as well as of profound compassion and joyous knowing. He speaks of greater value and greater presence along with greater loving and healing. To achieve these qualities that are also the components of reaching, we need new and expanded technique. After a cursory review of the success cube, image/identity, and the mystery of our choices, Lazaris offers a step-by-step exploration of four distinct and profoundly powerful techniques: *Enriching & Embellishing Identity/Image*; *New Dimensions of Success Cube*; *Mystical Choice* and *Expanding Love's Domain*. Each technique is vibrant. Each overflows with the essence of magic. Meditation included.

## *The Essence of Creation:*

### *Touching Personal Greatness (Excerpts)*

On Sunday mornings of workshops, Lazaris explores how we can carry the magic and miracles of the workshop into the weeks and months that follow. This recording of excerpts includes a discussion to work with *Reservoirs of Lost Creativity*, *The New Map of Magic*, *The Touch of Greatness*, and *Essence*. While talking of the *Reservoirs of Lost Creativity*, Lazaris offers us incredible insight into what happens to the creative person within our consensus reality as their creativity wanes, and insight into the suffering and struggling that most creative people endure in their unwitting attempts to retrieve that creativity. Of course, Lazaris offers an alternative to us who are magicians. Lazaris also details the use of the *New Map of Magic*. It is a powerful tool to work with the *Essence of Creation* and with *Personal Greatness*, and it is an incredible map for the workings of all kinds of magic. This discussion is a gem and is presented as an excerpt from the Culminating Weekend of 2002. No meditation.

## *The Essence of Creation: Touching Personal Greatness (Evening)*

The culminating weekend begins with a powerful overview of where we have been during this Year of Creation/Manifestation and with a clear focus on where we are going in the years to come. Lazaris suggests that to work with the *Essence of Creation* and with the *Touch of Greatness*, we first need to retrieve what we have lost of our creativity. Then we need a sense of the sweep of personal greatness, and then we need a map ... a *Map of Magic*, that can guide us and that we can easily follow. During this evening portion of a phenomenal weekend, Lazaris lays out where we can find our lost creativity and he outlines the sweep of personal greatness. Using portions of each of this year's evening discussions, Lazaris creates a stunning *Map of Magic*. During this evening portion, he offers us all the steps we need. The ensuing days of this quest were rich with experience and magic; they were ripe with miracles. But the recorded evening of this quest holds all the essentials to repeat the journey or to begin a new exploration in earnest. The Friday evening meditation is included in this recording.

## Loving God/Goddess/All That Is: A Divine Mystery

[click here for sound clip](#)

*Finding your grace can lift you to a higher octave of mystery; it can lift you beyond the peaks of mystery ... and in that beyond, the ease and elegance of your magic, of your future, and of your life as well as the beauty and richness of your happiness can come as naturally as flight comes to an eagle. Strengthened by your human grace, you can dance with God, with Goddess, you can dance with All That Is, and you can do so with exalted co-creation ... with co-creation that is overflowing with joy .... with sacred joy, with gracious joy – with a joy that is endowed by the Divine. – Lazaris*

Reminding us that we are no longer technicians but we are masterful magicians whose magic is art, Lazaris weaves an enchanting and magical evening as prelude to a phenomenal culminating weekend. Before we fully get underway, Lazaris offers a *Lazaris Blending* (recorded). Then we review the basics of human grace, of spiritual grace, and of the grace of magicians. Each is a reservoir from which we can unfold our personal grace. Lazaris offers techniques: *The Trine of Value, Maiden/Mother/Crone, and Magic Upon the Mills*. And we can find our grace. Even though we cannot label it, we can be the beneficiaries of its bounty and beauty. Then Lazaris explores the dance: *Dancing with God/Goddess/All That Is*. In an elegant step-by-step approach, what we know of co-creation can become so much more and our magic can become so much more powerful. The evening portion of this incredible weekend concludes with a wonderful meditation, *Finding Personal Grace*. This tape is a treasure.

## Enchanted Wisdom: Windows to the New World

[click here for sound clip](#)

Awakening our genius and becoming wise ... keys to building a new structure of permission and authority to be powerful ... and yet the components of wisdom have been dismembered and wisdom has been forgotten; there is no room for wisdom. Lazaris discusses what has happened to wisdom and he helps us explore our personal resistance to becoming wise, as he helps us lift the veils of our personal resistance to becoming wise, including: *Temptation of "One Problem"; Resonance of Destiny; Animism of Senses; Dynamism of the Possible; Complexity of Wisdom, and that "Something More."* Lazaris explores explicit techniques: *Wisdom Catcher; Tests of Wisdom; Bundles and Wisdom Crystals* are only a few. With the magic of enchanted wisdom, we can take that giant's step closer to the Possible Future of dreams and vision – to that New World we are destined to create. And our lives can come alive with wonder, happiness, and success. They can come alive now. *Wisdom Catcher Meditation* included.

## The Magic of Divine Union

[click here for sound clip](#)

Divine Love ... "the love that loves for no reason at all ... the love you can do nothing to gain and can do nothing to lose." To help us gain a sense of this august and rare love, Lazaris begins with a touching exploration of the *progression of love*, from the reasons why we love beyond memory and beyond imagination to where the why of love becomes the what of love. To move beyond sensing to experiencing this love, Lazaris explores what he calls the Players: the aspects of ourselves that are integral to reaching Divine Love: *Objector/Protector; Shadow (Dark & Light); Passion Stealer; and Personal Nemesis*.

As well, we need the help of our *Ego-I*, our *Lesser/More*, and from our more realized *Self-I*. During a mystical meditation, the players gather and each one gives us a gift or a treasure essential for our success. In the magic of that moment, we can be lifted into a mystical union and then it can happen: We can be gifted with Divine Union. The oneness with God, the oneness with Goddess, and the oneness with All That Is ... wrapped in the miraculous; we can be filled with a oneness with love ... the oneness of Divine Love. It was truly a touching and magical evening overflowing with love. The resonance as well as the discussion and meditation, *Divine Union*, were captured on tape.

## *Prosperity and Abundance in the 1990s*

Prosperity and abundance evolved in the 1990s, and on this tape Lazaris works both with concepts and with new tools and techniques to help us escape the consensus reality panic, and to create our reality on our own terms. Encouraging us first to forgive past failures and reconnect with what we know to be the illusory nature of reality, he helps us construct a *Personal Abundance Symbol*, gives us a *Breathing Technique* for drawing in the energy of abundance, and helps us chart the full length, width, and depth of prosperity on all levels – physical, emotional, mental, and etheric. With the *Pool of Abundance Meditation*, we work with the reflections of abundance in the Unconscious Mind to bring them powerfully into the physical reality. Meditation included.

We know that everyone can't make it to every workshop and that there are often crowds at the crystal tables during events, so with that in mind, we are now offering certain groupings of special crystals via email before they are offered at workshops. The people on this crystal emailing list will receive digital photographs and descriptions of the current crystals being offered right in an email. These crystals are also sometimes offered on the website ... but first they are sent only to those on the email list. So if you would like to request being on this special list where you will receive information on these crystals, please email your request to: [AndrewWilliam@att.net](mailto:AndrewWilliam@att.net)
