The Lazaris Weekend

Orlando, FL ... March 15 - 16, 2003

Of a Magician and a Man: The Legacy of Love from Merlin and Arthur

*Gather 'round as we tell you a story –
as we weave a timeless legend right and
true ...*

*One magician, one man, and a mysteri-
ous mix of magic and love ... a legend is
born, and their legacy – a legacy of love –
unfurls. It's a legacy of pure love free of
suffering and sacrifice and eternally free of
martyrdom and control. It is a legacy with
no beginning and with no end.*

*Gather 'round ... Come. Let us love
together once again.*

– Lazaris

*In the exquisite chaos and beauty of this
love and of this legacy of a magician and a
man, we can touch a love that can only be
called both fierce and majestic ... magnificent
love that defies description and that is beyond
compare.*

*The very core of our being can shine more
brightly and with less fear. Then our personal
legend and our own legacy of love can change
and grow ...*

Within the expansion of our love lies the new fuel that can catapult our magic forward with incredible precision. Within that expanse, we can craft a more solid and pure foundation for the dreams and visions, for our personal successes, and for the next steps in the Great Work.

*We have met our Knight and our Lady. We
have ridden on the backs of dragons and
worked magic with Merlin at our side. We have
sat quietly with Arthur and have seen a bit of
ourselves sitting there. We have witnessed the
pure love shared by a magician and a man. ...*

As we expand our love that we currently know, the very core of our being can come alive with power and passion. We can more elegantly create and manifest greater success, happiness, and joy for ourselves and for those we love; we can generate greater happiness and joy, and greater peace in the world around us. Our contribution/participation can sparkle with magic and compassion.

To this challenge of expanding our love, Lazaris calls us with a Merlin-Arthur workshop. In the exploration and then expansion of their love and their legacy of love, we can enter the unexplored dimensions and the uncharted scope of our own love. In the *exquisite chaos and beauty* of this love and of this legacy of a magician and a man, we can touch a love that can only be called both fierce and majestic ... magnificent love that defies description and that is beyond compare.

Of a Magician and a Man...

continued

The very core of our being can shine more brightly and with less fear. Then our personal legend and our own legacy of love can change and grow ... it can expand. And we become more.

Each Merlin-Arthur workshop begins with Lazaris calling us to gather 'round as he weaves a legend right and true. Many of us have explored this timeless legend with Lazaris before. We have met our Knight and our Lady. We have ridden on the backs of dragons and worked magic with Merlin at our side. We have sat quietly with Arthur and have seen a bit of ourselves sitting there. We have witnessed the pure love shared by a magician and a man. The spiritual current embedded and

encoded in their incredible legacy of love has profoundly touched us.

Again or for the first time, as we work with Merlin and his magic, we can learn so much more about our magic and about the magician we truly are. As we work with Arthur and his dreams, we can learn so much more of our dreams and of the dreamer/dream-weaver that we are destined to be. Welcome.

Gather 'round as we tell you a story – as we weave a timeless legend right and true ...

Gather 'round ... Come. Let us love together once again.

An Evening with Lazaris

Reaching for the Stars

Friday, March 14, 2003 7:30-11:00 pm

Reaching for the stars ... The phrase conjures varying images each with reassuring nuances. Thoughts of Sirius and feelings about our hopes and dreams flurry about our hearts and minds.

Reaching for the stars ... As the years of this new decade have unfolded, we have developed certain allies: dominion, mystery, and mastery of creation/ manifestation. We are now ready to expand our domain, the power and magic of mystery, and to expand the wonders and miracles we can create and bring into our world and into the world around us. With all that we know and with all that we have done, we are ready, we are eager, and we yearn to expand.

Reaching for the stars ... As we embark upon a year of expansion, we are ready to reach for the

Satisfied, never settle; content, never become complacent. Reach for the stars.

Oh, dear one, always, yes, always reach for the stars.

– Lazaris

stars. We seek more joyous success and more profound happiness. We know we are loved, and we seek greater love with which to be more loving and with which to offer more healing.

Lazaris encourages us. He also listens. Lazaris responds with a mystical and magical evening where we will work with new, masterfully profound ways of expansion. And in it all, we will learn how to reach deep into our spiritual tradition and into our stellar ancestry to enhance and embellish our reaching for those stars in our reality. Among the new techniques: *Enriching Identity; Embellishing Image; New Dimensions of Success Cube; Mystical Choice Beyond Conscious Choice*, and *Expanding the Domain of Love*.

It's an exciting way to begin a pivotal new year; it's an exciting way to respond whenever deepening and expanding are at hand. Welcome to another one of those special evenings with Lazaris. Welcome ...

New Vistas of Hope: The Mystical Core of Great Magic

[click here for sound clip](#)

"Magic becomes splendid magic, it becomes great magic, when it is infused with the aesthetics and esoterics of the Divine – of God/Goddess/All That Is." (Lazaris) During this discussion, Lazaris guides us upon a gentle journey, an intimate one. Upon this journey, we seek hope: Hope can guide us to the realm of Splendid Magic; hope can be the infuser of the Divine that can lift our magic to become Great Magic. Along the way, hope can change our magic, allowing it to be more vibrant and viable, with workings that are more profound – more far-reaching. Along the way, hope can change our life, allowing it to become richer with the texture of greater success and greater happiness. We explore the *Nature of Hope* to understand how the *Divine Hope* we received from God/Goddess/All

That Is dwindled and was replaced by human hope. Then we uncover what hope can be for us, the magicians of our current and future Age: Hope can spark so much within us (power, courage/confidence, co-creation, dominion) and it can be a reservoir for so many things (love, happiness, resonance of the miraculous, and magic). With this foundation, we reach for the new horizons of what hope can be and what it can provide as it adds dimension – it is an attractor, a stabilizer, and our guide to *Splendid Magic* – to *Great Magic*. Techniques include *Seven Days of Hope*, *Elixir of Hope*, and *Mystery of Hope's Paradox*. Powerful meditation included.

Tape Recommendations for February 2003

The Essence of Creation: Touching Personal Greatness (Excerpts)

On Sunday mornings of workshops, Lazaris explores how we can carry the magic and miracles of the workshop into the weeks and months that follow. This recording of excerpts includes a discussion to work with *Reservoirs of Lost Creativity*, *The New Map of Magic*, *The Touch of Greatness*, and *Essence*. While talking of the Reservoirs of Lost Creativity, Lazaris offers us incredible insight into what happens to the creative person within our consensus reality as their creativity wanes, and insight into the suffering and struggling that most creative people endure in their unwitting attempts to retrieve that creativity. Of course, Lazaris offers an alternative to us who are magicians. Lazaris also details the use of the *New Map of Magic*. It is a powerful tool to work with the *Essence of Creation* and with *Personal Greatness*, and it is an incredible map for the workings of all kinds of magic. This discussion is a gem and is presented as an excerpt from the Culminating Weekend of 2002. No meditation.

Available in audiotape or CD format.

The Essence of Creation: Touching Personal Greatness (Evening Only)

The culminating weekend begins with a powerful overview of where we have been during this Year of Creation/Manifestation and with a clear focus on where we are going in the years to come. Lazaris suggests that to work with the *Essence of Creation* and with the *Touch of Greatness*, we first need to retrieve what we have lost of our creativity. Then we need a sense of the *sweep of personal greatness*, and then we need a map ... a *Map of Magic*, that can guide us and that we can easily follow. During this evening portion of a phenomenal weekend, Lazaris lays out where we can find our lost creativity and he outlines the sweep of personal greatness. Using portions of each of this year's evening discussions, Lazaris creates a stunning *Map of Magic*. During this evening portion, he offers us all the steps we need. The ensuing days of this quest were rich with experience and magic; they were ripe with miracles. But the recorded evening of this quest holds all the essentials to repeat the journey or to begin a new exploration in earnest. The Friday evening meditation is included in this recording.

Celebrating Creation: The Great Wheel Turns (Excerpts)

[click here for sound clip](#)

We can enter the Great Wheel and artfully walk its rounds. This particular weekend was a gem among weekends with Lazaris. This recording includes selected excerpts from that event. Included are excerpts from discussions of: *Eternal Turning of the Great Wheel*, *the Mystery & Magic of the Great Wheel*, and *the Grace of the Great Wheel*. Lazaris describes each turn and allows us to discover the significance of each. The excerpts also include an exploration of how to be responsible for our successes. We know the value of such responsibility, but this is the first time Lazaris has laid out the steps so clearly and concisely. Also, there are excerpts from the Sunday morning discussion of how to bring celebrating creation into our daily lives and how to work with the turns of the Great Wheel. This is a delightful recording with wonderful insights that are rich with possibility and potential and that can open us to unlimited opportunities. No meditation.

Elegant Visions Creating Magical Successes

[click here for sound clip](#)

Visions: They are dreams illuminated by the passion of the Soul and liberated by the compassion of the Spirit. They are Optimal Futures crucial to creating the Virgin Future of the World. Existing outside of space and time, they have their own nonlinear language that may include brightness and darkness and the way things are shaped. Lazaris explores this magnificent world, its relationship to the Imaginal Realm, its components of genius, self-worth, and the Soul. Slipping past the objector/protector, we engage an Ally and enter the Place of Vision. Lazaris uses a powerful meditation to show us how to create linked visions and interlocking visions – eventually to create Interlocking Visioning with others and Unseen Friends. What is born is a capacity for magical success – and for engaging the electromagnetic energy of visions for the metamorphosis of our species.

The Sacred Journey ... Lazaris' First Ebook

Ebooks ...

As the Internet has grown, ebooks – electronic book formats you download onto your computer – have been a rapidly expanding medium. Whether you use your ebook reader on your computer or use a portable one you can take to the beach [g], it's a fantastic medium that delivers a whole book into a file that's permanent, instantly accessible, and uses no paper. We invite you to explore this fascinating new medium with this incredibly beautiful book. Whether it's the first time you've read it or the 10th, you will be delighted.

The Sacred Journey: You and Your Higher Self

This is Lazaris' landmark book on the New Spirituality, and its publication was and is a touchstone on the Journey Home. It is remarkable in its clarity about what the New Age is – and is not. In explorations that range from an understanding of the mineral, plant, animal and human kingdoms to our four choices to grow, Lazaris opens an amazing door. Then he moves to a process to prepare us to meet our Higher Self. The journey begins with love and culminates with a respect for the love and power of the Higher Self as well as an overview of the entire Topography of Consciousness. And at the end of this journey, we touch and begin to know our Higher Self in a series of three meditations that many have called the most beautiful they have ever known.
